MESSAGE FROM THE PRESIDENT

I have been President for 2 months and want to thank all members for trusting me with this job. Things have been a little quiet so far, not least because the weather gods have not been too kind.

Our AGM and Christmas in July at Tabourie was a great success with 64 members in attendance and their beautiful cars on display. It's great to see our members' vehicles being used as they were intended. Ours is a club for fun, not static displays alone.

I would like to thank our editor, DJ for his feature last year on our 1937 Railton Claremont, which is nearing completion, just waiting on our trusty motor trimmer, and, as we all know, trimmers can't be rushed!! We had the privilege to host the chairman of the Railton Owners Club of England, Mick Jarvis, come and visit with us. He and his lovely wife, Ann were actually following the English and Irish Lions, but it was a good excuse to come to the south coast and we turned on a fabulous day for the visitors, with a nice open top run to Burrill and back followed by drinks with a view at the Golf Club. We received some very positive comments about our car. It's great to get input from outside another Railton owner. We have also been given the privilege of restoring a 1948 MG TC that has been stored in a hay shed for the past 50 years or so. Next few months will be lots of hunting for parts and decoding rotted wood! Thanks to Joe for the car trailer to bring some of the parts back from Gundaroo.

Wheel Nuts in August was once again frowned on by the weather fairies, but a few brave souls, us included, braved the conditions to put forward our club to the public. It was then that we discovered that the wiper motor had burned out!! Any help with rewiring a motor from the Prince of Darkness (Lucas) would be welcome.

I want to acknowledge the support from members in general, and the committee in particular, for their assistance in finding my feet in the unexpected position in which I find myself, so here we go into another trip around the sun.

As I reflect on the month, I'm reminded of the unique bond we share—a community built around a love of cars but sustained by friendship and mutual respect. Whether you're a lifelong collector, a weekend tinkerer, or someone who simply enjoys a Sunday drive, your presence enriches our club. I encourage everyone to get involved in club activities—try something new, lend a hand, or share your expertise. These are the moments that create memories and stories worth retelling in the pages of our magazine. If you ever have suggestions or want to contribute to our shared journey, my door is always open. Let's continue to fuel our passion, support each other, and make our club the best it can be. Drive safe, have fun, and see you at the next event!

Regards

Bob

President - MUVCCC

Christmas in July BB2 & Annual General Meeting 2025

Holiday Haven Caravan Park - Lake Tabourie

The MUVCCC held its Annual General Meeting on the 13th July with 64 members in attendance. A great turnout for a perfect Winter's Day. The Committee provided individual reports to members on relevant activities. In addition, it was time for the new committee to be appointed. Roger Guest was our "Returning Officer" who undertook proceedings. Tom Taylor, Vicki Weir, Joe Bowdler and David Joice will continue in their roles, whilst Colin Spicer, Jane McLennan and Geoff Phillips have elected to step down after making a wonderful contribution to the club over the last few years. Roger Guest will also continue to support the club in the role of Public Officer. Bob Wilson was nominated for the role of President and this was enthusiastically endorsed by members. **Congratulations Bob!! However, we are still looking for members to assist in the roles of Secretary and Events Director. We do hope a couple of members choose to nominate. It takes a team to make things happen and being part of the committee is very rewarding.**

Congratulations to Dave Chapman who has been awarded the 2025-2026 Hooter Award for his survival skills! Joe Bowdler is in the running for next year's award after needing medical attention whilst cutting up onions - ouch! Luckily, Jane McLennan's skills fixed Joe up and he is almost as good as new. A big thank you to all members who contributed to the Australia's Biggest Morning Tea. We raised \$680 for the Cancer Council – a great effort by members for a very worthy cause.

An event like this does not just happen by magic! It takes some organizing and preparation. Geoff & Bev Phillips led us in this task, whilst all your committee contributed to make sure we had a great venue that was clean with plenty of food and suitably decorated. A very big THANK YOU to Geoff & Bev Phillips, Colin & Dawn Spicer, Jane & Alan McLennan, Tom Taylor, Joe Bowdler, Vicki Weir and Yvonne & DJ who set things up on Saturday & Sunday morning and to all those members who helped on the day as well!

Greta Michelson's 74 Citroën looked fantastic. Greta & Geoff just completed a trip to Qld covering 3000km without missing a beat!

Bev, Diana, Jacqui and Helen with wonderful smiles!

Nev brought his impeccable Packard 1100 to the event

Les, Andrew, Pete and Steve thoroughly enjoy lunch. I'm not sure Steve wanted his meal to be interrupted?

Final thoughts from our outgoing Committee Members

Outgoing President - Colin Spicer

Hi all!! This is my final message to members and I would like to say that the last 3 years have been very interesting. I have got to know a lot of people and it's been a great experience. Over that time, our Committee have enabled the club to purchase a

Defibrillator thanks to the generous support of our local service clubs. In addition, we completed the purchase of a new trailer including the "fit out" for our new BBQ.

Congratulations to Bob Wilson, our new President. I am sure as members, that you will give Bob & the committee the same support that I received when I took up the position. Good luck to our new committee. I am sure you will continue to do a great job. Lastly, my thanks to my wife, Dawn who has supported me and the Committee in the work we did together. Looking forward to seeing you at all the events! Cheers Colin

Outgoing Secretary – Jane McLennan

In August 2021 I was approached to fill the Secretary position of MUVCCC. Having just retired & relocating to the South Coast I decided to give it a go as outgoing Secretary, Chris James & his wife Jeannie were off to do some

travelling.

At that time, our committee was President- Alan May, Vice President Tom Turner, Treasurer- Vicki Weir, Registrar - Joe Bowdler, Events Director- Geoffrey Phillips, & Editor Jim Gibson.

Monthly Committee & General Meetings became a part of my life- I met many members & was able to put a face to a name. Further changes to the Committee saw Colin Spicer as President, Vice President- Tom Taylor & Editor David Joice.

Thanks to my fellow Committee members for their support. We planned & held events, purchased equipment including the Defibrillator, First Aid kit & BBQ trailer & produced a Club magazine.

Communication was maintained with members, CMC, Dept of Fair Trading, ATO, Elders Insurance, Horizon Bank, Service NSW & many NSW & ACT car & bike Clubs. The time has come for me to leave the Secretary position.

I hope a member begins this role soon & I will support them if needed. Thanks for your support during my time in the role.

Jane

Outgoing Events Director Geoff Phillips

Hi All,

David has asked me to write a short piece about Bev's and my role as the Events Director for our Club.

About six years ago I volunteered to take on the position which had been vacant for some time. It was rather

daunting at first, not knowing where to start and what the sort of events would be suitable for our members to get together for a coffee a chat and give their cars a run. It started with coffee runs to various local cafés and venturing out further for lunch runs and brunch at Sussex Inlet with the occasional trips to places of interest.

We have had a number of trips away June and Cooma probably our most memorable with Alan washing his much loved EH Holden as soon as we arrived back at our accommodation (it just had a bit of dust on it!!) Important events such as Mothers Day, Fathers Day & Christmas Lunch have always been well attended and it was gratifying to see people enjoying these special events.

Wheel Nuts has been in place for some time and is becoming more popular and provides another chance to get together and show off your cars. Unfortunately, due to other commitments Bev and I are only able to get there on rare occasions.

Working with the committee and you, the members, has been enlightening and rewarding. We have enjoyed the comradery and appreciate the support, however, the time has come for Bev and I to pass the baton on and let someone with a fresh set of eyes and new ideas take on the role.

If you would be interested in the role Bev and I will help you to get started and I know the committee will support you and give you some ideas.

Keep Well!!

Geoff

The 2025 Hooter Award Goes to... Dave Chapman!!

During our AGM, the annual Hooter Award is presented to the member who has had some unfortunate luck...be it a health issue, accident, something vehicle related...or anything else!

Following our story on Dave Chapman, judges determined that Dave met all possible "Hooter Award" criteria...easily. After a history of unfortunate falls & accidents and then having his beautiful Chrysler 300C written-off by a flying rubber mat, there was no one more deserving.

Dave & Kathy were not available to attend the AGM to collect the Hooter Award, so Colin visited their home and presented Dave his trophy. But, how much bad luck can our **Hooter Hero** have??? Well, unfortunately, the story continues with Dave adding yet another chapter.

After my recent interview, Dave said to me "If something was dropped from the sky, it would hit me!" So, having replaced with 300C with another, Dave was driving near Nerriga. It was a windy day and he heard a loud thump on the roof. It wasn't a rock or tree branch, but a high tension power cable undergoing maintenance that had fallen (from the sky!!) and struck the roof of the new 300C resulting in over \$3,000 damage!! (This could only happen to Dave!)

Fortunately, no one was hurt and the electrical maintenance team accepted responsibility...but if ever we needed further evidence that Dave is a deserved winner, we have it!! **Congratulations Dave...but keep safe!**

Member Story: Dawn's new project Restoration of a 1948 Sunbeam Talbot

During the AGM, new president, Bob Wilson shared with members that there was an opportunity for someone to get a Sunbeam.

Following the recent completion of the MGA, Dawn & Colin Spicer immediately leapt on the opportunity for a new project. Upon visiting the owner, Dawn fell in love with the 1948 Sunbeam Talbot 80 and the deal was done. It has many features including suicide doors. However, Dawn has said she wants to do the work herself – but she is already having a hard time keeping Colin's hands away from her Sunbeam.

Stay tuned!! Future issues will report on the progress of the restoration of the *Dawn Sunbeam*.

The Sunbeam loaded and on its way to a new home

The engine is in good shape

Colin making an elegant exit

The happy couple are "all smiles" at the commencement of this project

Dave proudly holds the Annual Hooter Award...just before a meteor struck!

Club Event: Barefoot Bowls Lake Conjola

On the final day of winter, 20 Club members gathered for the 2025 MUVCCC Barefoot Bowls Championship!! With glorious weather, Bev Phillips provided instruction to participants and let the games commence. Both Bev & Geoff were on hand, providing advice & direction, whilst 3 spectators provided enthusiastic support. At the end of the match, all scores were tallied...but we are still figuring out the result! Afterwards, quite a few members stayed for dinner at the Lake Conjola Bowlo, where a detailed performance review was undertaken. Thanks to Bev & Geoff Phillips for arranging this wonderful event. Geoff even ensured the weather was perfect – he's a natural!

Please support all our advertisers where and whenever you can

Club Event: Wheel Nuts – July 2025

July's edition of Wheel Nuts was a perfect day with 50 members in attendance! It was great to see so many people enjoying a great morning of conversation, whilst many members of the public enjoyed looking over the MUVCCC collection. In particular it was great to see Bob Wilson along with Tim & Margo Kay.

Tim's Corvette looking magnificent!

Cathy, Debbie, Dave and Don enjoying the day

It was great to see Bob with his Railton.

Tim had a great catch up with Darren's mum, Darren and Jane

Steve Burgess used the good ol' fashioned method of "bartering" to snag this fantastic 8 series BMW

*"Yeah – I've found one. It won't cost much"
Bloody hell!!! Tom's trying to sell the Suby!*

Alan says to Darren "Just aim right at the guy with the camera & take him out!!" (And he almost did!)

Please support all our advertisers where and whenever you can

Club Event: Wheel Nuts – August 2025

Well, the August event was one for the true believers with just 20 members (including Molly & Alice) taking a bet on the weather. Whilst attendance may have been low, the members were very dedicated as we got wet from light showers & then dried out in the sun...repeatedly. Darren brought out his "almost historic" Hilux and parked it alongside Bob's Railton on the basis that they were equally unique. Terry & Alan had their Roller down at the harbour. John brought the Merc and Nick had his Alfa. Unfortunately, Gary King did not bring his "Mythical Mustang" which we have heard some much about – but he assures me it will soon move from its "Mythical" status. We all await with bated breath!

Suzi & Bob modelling the Club shirt

"Now Joe...This is serious" says Tom

John's Merc and Nick's Alfa looked the part!

The Ford Courier & Railton are "peas in a pod" ...kinda sorta???

Seems Joe remains unconvinced

Terry & Alan...arrive in style & fashionably late with Molly there to offer parking instructions

Not one of our Club's biggest turnouts!

Club Event: Bawley Point Classic Car Show - Willinga Park

Story: Les Whale Photos: Les Whale Joe Bowdler & Julie Hoy

Rain was forecast, and rain it did! Only 5 of the 22 Club vehicles Joe had expected turned up opposite Lynn's Removals at 7.30am, however, these 5 set off resolutely down the highway to Bawley Point, with Julie's Ford leading the way.

On arrival at Willinga Park, David inexplicably departed in his "Suby" (*Editors note: "I don't do rain"*), while a racy Cortina was unloaded from its trailer. Down one, up one, still five, parked up together next to the shelter shed and kiosk...in light but persistent rain

Despite the poor weather, there was a good roll-up of other cars of all makes, marques, models, sizes and ages. The 1929 Austin Seven "Woody" named "Splinter" was particularly brave, but was in danger of warping its lovely timberwork, the umbrella doing little to help.

Pleasingly, the weather did get a bit better. Two trophies were awarded, one chosen by the owners, and a People's Choice (non-owners only). The People's Choice went to a beautiful Ford Fairlane 500, while the Owners Choice, the Stu Doyle Memorial Award, went to a 1950 Morris Minor lowlight, astonishing the owner in light of all the other vehicles at the show

Congratulations to Les Whale for a deserved win!! In addition, Cec Swarko (event organiser) advised that \$2,000 was raised for the Cancer Council with 85 vehicles in attendance. Well done to all...who were brave enough to stay!!

The Award-Winning Ford Fairlane 500

Member News

On 13 July 2025, the Club held its Annual General Meeting at the Holiday Haven Caravan Park - Lake Tabourie with 64 members in attendance.

Don't forget, the next General Meeting will be held at:

Ulladulla Ex Servos Club – Princes Hwy Ulladulla

Wednesday 10th September 10.30am

New Members

The MUVCCC is pleased to welcome new members to the club: **David & Cath Ewin**

We hope you enjoy the camaraderie and become a regular participant at club events. *It's all about "Having Fun!!"*

Thoughts for members who are unwell

Jim Casey (well known for his 1953 Buick Skylark) had a bit of ill-health recently, however the folks at the Milton Hospital got him as good as new...for a 93 year-old! He is now back home and looking great! Take care Jim.

If you know members who may be unwell, please reach out to our Welfare Officer, Viv Burns so the club can provide some support. Her contact details are on Page 3.

Vacancy – Secretary **Vacancy – Events Director**

Our committee has 2 vacancies awaiting just the right member. The roles are not complex and allow you to contribute to the success of the MUVCCC. Remuneration is great – the heartfelt thanks of all club members!!

These are volunteer roles and do not take up too much time. For those who assume these roles, it provides a great way to really get to know our club members, whilst supporting & guiding club activities.

If you are interested in joining the MUVCCC Committee, contact any member of the Committee who will assist you in understanding the role. The only requirements are that you are interested in supporting **our Club**, to deliver on the club motto of "Let's Have Fun" ... and the technical requirement of using email!

Importantly, successful nominees will also spend time with the current Office Bearers, who will provide a "handover" and support, as will all existing Committee Members. **So be a part of the team, nominate for a role and support the success of the MUVCCC!!!**

Registrar Update

Our Registrar, Joe Bowdler has reported that the MUVCCC has **240 vehicles & 201 members as at August 2025.**

Don't forget, members should also ensure the appropriate Certificate of Approved Operations is with the vehicle (or a copy) at all times. We have been advised that many vehicles are being checked by police and they will immediately look for this document.

Have you renewed your membership for 2025/26???

Membership renewal was due on 30 June 2025. Some members have not renewed as yet. Renewal must be completed by 30 September 2025, otherwise, historic vehicles will be deemed unregistered as your membership will have LAPSED.

For those who have not renewed, please make payment ASAP but no later than 30th September 2025 to remain in the club & allow your historic vehicle to be legally registered.

Payment: The required payment method is by Direct Transfer to Horizon Bank:

BSB: 802-124 ACCOUNT: 112835

FOR REFERENCE: PLEASE QUOTE YOUR NAME AND MEMBERSHIP NUMBER so as the Treasurer can identify your payment.

The renewal form can be downloaded from the club website at the following link:

[www.muvccc.org.au/files/Renewal%20form\(2025-2026%20Web\).pdf](http://www.muvccc.org.au/files/Renewal%20form(2025-2026%20Web).pdf)

Coffee Break Time!

BMW have an amazing history. Along with their rival, Mercedes Benz, they have been at the forefront of vehicle development, whilst a strong competitor in motorsport. If you're old enough – (and I know you are) you may remember the JPS BMW 635s in the Australian Touring Cars with Jim Richards at the wheel. Wonderful vehicles and amazing engines.

On the Road with Jane & Alan McLennan

Club Members, Jane & Alan McLennan recently had a driving holiday in western NSW. In Gilgandra, they found examples of typical Australian initiative (or perhaps a “waste not, want not” approach?) with parts of cars recycled to be used for furniture!

Julie Does the Double!

Earlier this year, our Ford Enthusiast, Julie Hoy attended the All Ford Day. Just like last year, Julie's perfectly maintained BF Falcon took home the prize of “Best Original Contemporary”. Congratulations Julie – now you need to get the hat-trick!

If you have a story or photos you would like to share (or any other feedback) please write to me at:
